

Setting Language in Motion: Family Supports and Early Intervention for Babies Who are Deaf and Hard of Hearing

Module 5: Cochlear Implants: The Basics

About the Author

Lynne C. Graham O'Brien

Lynne C. Graham O'Brien, AuD, CCC-A, worked at Boston Children's Hospital for 12 years in the Diagnostic Audiology and Rehabilitative Audiology programs, including participation on the cochlear implant team. Following a brief tenure at North Shore Children's Hospital in Salem, Massachusetts, O'Brien is now working as an educational audiologist at the Horace Mann School for the Deaf in Allston, Massachusetts. She earned her master's degree in audiology from the University of Connecticut's Childhood Hearing Impairment Program and her doctorate from A.T. Still University. She lives on the North Shore of Massachusetts where she enjoys spending time by the water with her husband and daughter.
