

Setting Language in Motion: Family Supports and Early Intervention for Babies Who are Deaf and Hard of Hearing

Module 6 Promoting Communication in the Home

About the Author

Denise Fournier Eng

Denise Fournier Eng, MA, CCC-SLP, is a speech-language clinician with the Deaf and Hard of Hearing Program at Boston Children's Hospital. She worked in private school programs with deaf and hard of hearing children, in public school settings, and in early intervention. Eng has been an instructor at Boston University's master's program in deaf education. She coordinated several partnerships in the community and with museums to support accessible opportunities for deaf and hard of hearing children and their families, created parent education programming and in-service training programs for public school personnel, and presented at numerous regional and national conferences.
