

2.002 Classroom Rules and Expectations - MSSD

1. Each teacher is required to post a copy of their classroom rules and expectations in their main classroom so that students and others entering the classroom will know what is expected. Please keep the following in mind when creating and posting:
 - Try to phrase things in a positive manner
 - Include social behaviors
 - Use graphics (pictures) when appropriate
 - Use alternating colors for words
 - Use large print so that all can see
2. Posting a copy of the school's dress code is also suggested, but not required.
