WE WANT TO PARTNER WITH YOU!

Clerc Center State & School Partnerships

Eager to build off our successful 5-school partnership pilot, the Clerc Center is seeking to expand its state partnership program across the United States.

Our vision is to **expand excellence** in deaf education through:

Collaboration

Leadership

Equity

Reimagination

Community

PARTNERSHIP PHILOSOPHY

We believe in educating the whole child and that developing each student's unique abilities and a positive sense of identity is critical for school achievement and success throughout life.

We believe that all students, supported by high expectations and actively engaged in meaningful and challenging standards-based work, can learn, achieve and succeed.

We believe that early access to and the acquisition of linguistic proficiency in ASL and English are integral to a deaf or hard of hearing student's overall development.
