Activities

- Play school with your child. Write the letters of the alphabet on a piece of paper, cut out letters, or use your child's alphabet toys. Sign the letters and let your child point to the alphabet. Reverse roles.
- Tell your child to think about a favorite teacher in school and to draw a picture of that teacher. Have him or her color the picture. Ask your child to write a couple of sentences about the teacher below the drawing, and encourage him or her to give the picture to that teacher.
- Help your child make a book about things found in school. Cut out pictures of items from magazines, glue them onto pieces of paper, then staple the pages together. Let your child label each picture and make a title page.
