Activities

- Help your child find April Fool's Day on a calendar.
- Learn a magic trick (using a book or the Internet as a reference) with your child.
- With your child, make hand shadow puppets. In a dim or dark room, shine a flashlight or other light source on an available wall. Move your hands into various shapes in front of the light to create the silhouettes of "rabbits," "birds," and other animals or things on the wall.
