Activities

- Help your child make a costume of his or her favorite Arthur character or any other Halloween costume he or she would like.
- Help your child find a neighbor who could use help with his or her yard. Make plans with your child to help that person.
- Set up several bowls on a table and place various types of food in them (e.g., olives, spaghetti, corn kernels), calling the food "eyeballs," "intestines," "teeth," etc. Without letting your child see what's in the bowls beforehand, blindfold him or her and have him or her figure out what he or she is touching.
