## Activities

- Help your child make a graph of how many teeth people in the family have lost.
- Read the book *Throw the Tooth on the Roof* with your child to help him or her learn what children in other countries do when they lose a tooth.
- Have your child make a collage. Ask him or her to cut out a tooth shape from white or colored paper and paste cutouts (from magazines) of things that are good for people's teeth in the shape.

## Read More About It!
