Activities

- With your child, decorate your Christmas tree. Name the decorations as you put them on the tree.
- Have your child list the steps in trimming a Christmas tree.
- Play Christmas charades. On small slips of paper, help your child write the names of different decorations found on a Christmas tree. Fold these papers and put them in a small box. Take turns with your child picking out one of the slips. Act out the decoration and have your child guess it and vice-versa.
