### Activities

- Characters in the story point out different kinds of cats. Each cat is pictured in the front of the book. Compare the pictures and decide together what the name of the cat is.
- The characters in the story are from different parts of the world. Point out how the trees, houses, clothing, and animals are alike and different.
- Make cat pictures from different colors of tissue paper and glue. Cut or tear the paper into cat shapes similar to those in the book and then expand to include other cats your child is familiar with.
