Letter from the Superintendent

Dear Families,

The Laurent Clerc National Deaf Education Center at Gallaudet University is required by the 2008 Education of the Deaf Act (EDA) to implement systems of standards, assessments, and accountability pursuant to those required of states under the Every Student Succeeds Act (ESSA) of 2015.

The reauthorized EDA, inclusive of ESSA amendments, states that the Clerc Center's Kendall Demonstration Elementary School (KDES) and the Model Secondary School for the Deaf (MSSD) shall adopt and implement challenging academic content standards and assessments and annually use those assessments to determine how successful KDES and MSSD have been in including all students in standard-based education and how well students are achieving standards.

ESSA provides states with more autonomy in developing new approaches to accountability for students' academic performance, but states must have accountability systems in place to ensure that all students are provided an opportunity for a high-quality education. As such, the Clerc Center partners with the Maryland State Department of Education (MSDE) to implement their standards, assessment, and accountability system and to meet the regulations defined by ESSA and EDA.

In spring 2025, students at the Clerc Center participated in the following assessments:

Assessment	Grade						
	3	4	5	6	7	8	High School ¹
Maryland Comprehensive Assessment (MCAP) for ELA and mathematics	X	X	X	X	X	X	X
Dynamic Learning Maps (DLM) for ELA and mathematics	X	X	X	X	X	X	X
Maryland Integrated Science Assessment (MISA)			X			X	X
Alternate Maryland Integrated Science Assessment (Alt-MISA)			X			X	X

¹Students are assessed once in high school in ELA (MCAP ELA10/DLM), mathematics (MCAP Algebra I/DLM), and science (MISA/Alt-MISA). Students take the MISA/Alt-MISA after the completion of high school Biology. High school students test in grade 10 and can re-test in grades 11 and 12.

Each of these assessments measure student achievement of grade-level standards. These standards represent what students should know and be able to do by the end of each grade.

This school report card provides assessment and accountability data according to the following indicators, as established through MSDE's ESSA plan.

	Elementary/Middle School (ES/MS)	High School (HS)
Academic Achievement	<ul style="list-style-type: none"> • Achievement composite: 20% 	<ul style="list-style-type: none"> • Achievement composite: 30%
Academic Progress	<ul style="list-style-type: none"> • Academic growth in ELA and mathematics: 25% • Credit for completion of a well-rounded curriculum¹: 10% 	<ul style="list-style-type: none"> • N/A
Progress in Achieving English Language Proficiency (ELP)	<ul style="list-style-type: none"> • Progress toward ELP: 10% 	<ul style="list-style-type: none"> • Progress toward ELP: 10%
Graduation Rate	<ul style="list-style-type: none"> • N/A 	<ul style="list-style-type: none"> • Graduation composite: 15%
School Quality and Student Success (SQSS)	<ul style="list-style-type: none"> • Chronic absenteeism: 15% • School climate: 10% • Access to a well-rounded curriculum: 10% 	<ul style="list-style-type: none"> • Chronic absenteeism: 15% • School Climate: 10% • Access to a well-rounded curriculum: 10%
Readiness for Post-secondary Success	<ul style="list-style-type: none"> • N/A 	<ul style="list-style-type: none"> • On-track in 9th grade: 5% • Credit for completion of a well-rounded curriculum: 5%

For questions related to this report card, please contact Stephen Farias, Superintendent. He can be reached at Stephen.Farias@Gallaudet.edu.

Thank you,

Stephen Farias
Superintendent, Demonstration Elementary and Secondary Schools

¹ The Credit for completion of a well-rounded curriculum measure for elementary/middle school includes two parts, each worth five percentage points: 1) The percentage of students scoring "proficient" or higher in science, and 2) the percentage of 5th grade students earning credit in social studies, fine arts, physical education, and health, and the percentage of 8th grade students earning credit in mathematics, ELA, social studies, and science.

Report Card Information²

What does my school rating mean?

Overall school star designations are determined by a combination of academic and school quality indicators that are used to differentiate and identify schools to ensure that all schools are meeting the needs of all students. Academic indicators are used to determine 65 percent of the possible points, while the school quality and student success indicator determines 35 percent of the possible points. Possible points vary by school and year, however school ratings are based on the total earned points percent. Percentile ranks of each school is reported and is based on the grades in the school (Elementary, Middle and/or High school).

How are star ratings determined?

STAR RATING		STAR RATING	
	5 stars when a school has at least 75% of total earned points percent		2 stars when a school has at least 30% but less than 45% of total earned points percent
	4 stars when a school has at least 60% but less than 75% of total earned points percent		1 star when a school has less than 30% of total earned points percent
	3 stars when a school has at least 45% but less than 60% of total earned points percent		

Academic Achievement	Academic Progress
The <i>Academic Achievement</i> indicator measures the performance of students in a school who demonstrated proficient skills and knowledge in a student's academic program. As measured by MCAP, this indicator is comprised of student achievement measures in math and English Language Arts. School points are determined by the percentage of students achieving proficiency, and the school's average performance level.	The <i>Academic Progress</i> indicator measures the performance of students in a school who show meaningful relative growth in math and English Language Arts (Academic Growth) and who demonstrate proficient skills and knowledge in science, and who pass transitional grade course requirements (Credit for Completion of a Well-Rounded Curriculum). School points are determined for student growth in math and English language arts, for science and social studies by the percentage of students achieving proficiency, and for credit for completion of a well-rounded curriculum by the percentage of students passing 5th or 8th grade coursework requirements.
Graduation Rate	Progress in Achieving English Language Proficiency
The <i>Graduation Rate</i> indicator measures the performance of students in a school who graduate with a regular high school diploma. This Indicator is comprised of two measures of a cohort of ninth grade students graduating within four years or five years respectively.	The <i>Progress in Achieving English Language Proficiency</i> indicator measures the performance of students in a school who show meaningful growth toward or have attained English language proficiency as measured by the MCAP test for English language learners. The goal for English language learner students is to attain English language proficiency within six years. School points are determined by the percentage of English Learners achieving or making progress towards attaining proficiency.
Readiness for Post-Secondary Success	School Quality and Student Success
The <i>Readiness for Post-Secondary Success</i> indicator measures the performance of students in a school who are on track for graduation and those students who have completed high school coursework along with a rigorous or comprehensive co-curricular standard. School points are comprised of a school's percentage of 9th grade students earning at least four credits in required coursework and percentage of graduating or exiting students achieving a rigorous or comprehensive co-curricular standard.	The <i>School Quality and Student Success</i> indicator measures the performance of students in a school who regularly attend school, report positive perceptions of their school, and have actively engaged in rigorous and/or co-curricular academic coursework outside of traditional English Language Arts and Mathematics (elementary) or Science and Social Studies (middle). School points are comprised of a school's percentage of not chronically absent students, school survey results, and measures of access to a well-rounded curriculum.

² This table was adopted from Maryland's published report cards accessed from <http://reportcard.msde.maryland.gov>.

KDES	35%	20%
MSSD	3%	7%

³ Clerc Center enrollment data are based on end of year enrollment counts.

⁴ Early Childhood Education.

⁵ The four-year graduation rate is the percent of a school's cohort of first-time grade 9 students who graduate within four years. Students who received certificates of completion are not counted as graduates; they remained in the calculation as did students who withdrew without detail.

⁶ Low-income rates are calculated based on the total number of parent survey respondents indicating family eligibility for government assistance out of the total number of tested students. Source: Parent Survey with a 15% return rate in KDES and a 19% return rate in MSSD on questions about family eligibility for government assistance.

⁷ Chronic absenteeism is defined as the number of students absent 10% or more school days during the school year in membership at least 10 days. To calculate the percentage of days absent, the number of days absent was divided by the total number of school days as reported by the Clerc Center. The number reported here is the percent of students who were chronically absent.

Kendall Demonstration Elementary School (K-8): Overall Performance

HOW DID MY SCHOOL DO OVERALL?

Overall school performance is determined by a combination of academic and school quality indicators. The total earned points percent is provided as well as a percentile rank and a star designation.

INDICATOR	POSSIBLE POINTS	EARNED POINTS	ANNUAL TARGET ⁸
Academic Achievement	20	4.7	N/A
Academic Progress	35	18.4	N/A
Progress in Achieving English Language Proficiency ⁹	N/A	N/A	N/A

Kendall Demonstration Elementary School (K-8): Academic Progress

ACADEMIC PROGRESS

HOW DID STUDENTS PERFORM ON OTHER ACADEMIC MEASURES AND GROWTH?

The academic progress indicator consists of multiple academic measures. Schools are measured on the growth of students over time on math and ELA state tests, and on earning credit for a well-rounded curriculum.

Kendall Demonstration Elementary School (K-8): Disaggregation of Academic Progress Data²⁶

		MEASURES						INDICATOR	
	Comparable Scores for Participation in MCAP/MSAA	Points Earned for ELA Student Growth ²⁷ (12.5 points)	Points Earned for Math Student Growth (12.5 points)	Percent of students proficient in science (5 points)		Credit for Completion of a Well-rounded Curriculum for Grades 5 and 8 (5 points)		Academic Total (35 points)	Percent
		POINTS EARNED		n	POINTS EARNED	n	POINTS EARNED		
All students	39 ²⁸	9.6	3.5	19	0.3	20	5.0	18.4	52.6
		The numbers above represent the total points earned.							
		The following numbers represent the points earned by each subgroup as if they were the group total.		The following numbers represent the points earned by each subgroup as if they were the group total. Students with Disabilities	39	9.6	3.5	19	0.3	20	5.0	18.4	52.6
Economically Disadvantaged	--	--	--	--	--	--	--	--	--
The Clerc Center does not collect data on English Language Learners.									

²⁶ Dashes represent instances when reporting data are for fewer than 10 students. N/A denotes that no data are available (e.g., there are no students identified as a member of that particular subgroup).

²⁷ Growth for ELA and Math is calculated using a transition matrix that compares 2024 and 2025 assessment results by student. Credit is earned if students improve their Achievement Level or maintain Achievement Level 2 or higher. Points in each academic growth category are calculated as a ratio of total credit earned to the total number of students.

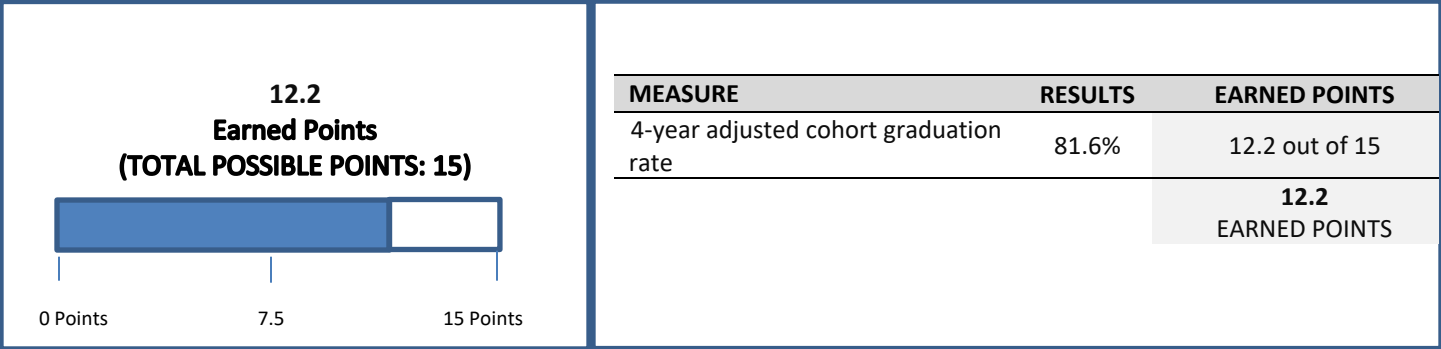

²⁸This is the number of KDES students that had scores in both 2024 and 2025.

Model Secondary School for the Deaf (9-12): Graduation Rate

GRADUATION RATE

ARE STUDENTS GRADUATING ON TIME?

The graduation rate indicator is a combination of the percentage of 9th grade students who completed high school within four years or within five years.

Model Secondary School for the Deaf (9-12): Disaggregation of Graduation Data²⁹

	MEASURES		INDICATOR
	Graduation Rates		Graduation Total (10 points)
	4-year		4-year
	n	%	Points
All Students	31	81.6	8.2
			<i>The following numbers represent the points earned by each subgroup and <u>will not</u> add up to the total points earned</i>

<i>The Clerc Center does not collect data on English Language Learners, Foster Status, or Homeless Status.</i>			

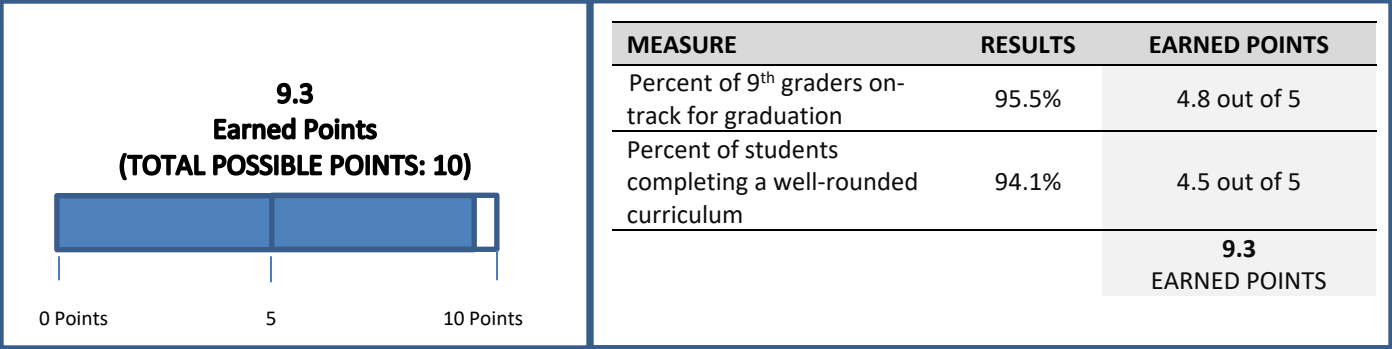

²⁹ Dashes represent instances when reporting data are for fewer than 10 students. N/A denotes that no data are available (e.g., there are no students identified as a member of that particular subgroup).

Model Secondary School for the Deaf (9-12): Readiness for Post-Secondary Success

READINESS FOR POST-SECONDARY SUCCESS

HOW MANY STUDENTS ARE ON-TRACK FOR SUCCESS AFTER HIGH SCHOOL?

This high school indicator is a combination of the percent of 9th grade students earning four credits, and the percent of students completing high school meeting a variety of standards beyond their required coursework.

Model Secondary School for the Deaf (9-12): Post-Secondary Enrollment Rates

From the 2023-2024 graduation class, 34 students (79.1%) matriculated at private & out of-state institutions; all other data are too small to report (n<10).

Model Secondary School for the Deaf (9-12): Disaggregation of Readiness for Post-Secondary Success³⁰

	MEASURES						INDICATOR
